

## Annual thank you card everyone

### TEMPLATE

August 2022

Dear **Christian name**,

We are writing to thank you most sincerely on behalf of all those who worship at St Agatha's Church, for your continued and great generosity over many years, which has contributed to keeping our Anglican "**Light on the Hill**" burning bright.

During this Interregnum period, with all its challenges, your support and your presence is a warm encouragement, as we look to the future.

Thank you **name**, and may God bless you.
