

DIOCESE IN EUROPE

THE CHURCH
OF ENGLAND

**Chaplain (Full-Time)
The Anglican Church of St Vincent, the Algarve, Portugal
(based at Boliqueime, Central Algarve)**

The Bishop seeks to appoint an enthusiastic priest to serve this large and primarily English-speaking community. The Algarve is a beautiful, varied and popular area of southern Portugal with an extensive Atlantic coastline.

Applicants should be gifted in pastoral care and in strengthening the faith and commitment of members through teaching, Bible Study and leadership.

They will be able to challenge and develop the Chaplaincy in its current locations and to extend the church into new locations. The ability to lead a team of committed Readers and lay people is essential as is the commitment to work collaboratively and collegially with the Chaplain in the West. Applicants will inspire a vision for outreach and the future development of the Chaplaincy and will be committed to strengthening inter-church relationships.

The attractive financial package includes a stipend of €33,000 accommodation in a pleasant bungalow and provision of a car. This post does not carry pension contributions.

Further Information is available at www.stvincentsalgarve.org, in additional documents including the Chaplaincy Profile.

Council has requested, on the grounds of theological conviction, that arrangements be made in accordance with the House of Bishops' Declaration on the Ministry of Bishops and Priests.
