THE COSTA BLANCA ANGLICAN CHAPLAINCY

(Between Alicante and Valencia, Spain)

Where the sun tries to shine every day

**This wonderful Chaplaincy is seeking a
Part Time, House for Duty Priest
to join us as soon after Easter 2018 as possible**

We are looking for a recently retired, enthusiastic priest to help us continue to build on the great work that is happening in our Chaplaincy.

Applicants should be ready for some hard work, on their three designated working days, plus Sundays, helping to build all of our congregations, and ministering among English Speaking people across this huge parish. We currently use 7 churches, each of which has the Eucharist every Sunday, and there is plenty of scope for growth.

The new priest will have particular responsibility for the congregations at Albir and El Campello and a weekday service in l'Al Faz del PI

Appointing another member for our team is a sign of our commitment to growth and outreach.

The package includes attractive accommodation, or housing expenses, including domestic bills, a car and proper working expenses, plus an honorarium of 6520 Euros per annum.
