

DIOCESE IN EUROPE

THE CHURCH
OF ENGLAND

Archdeacon of the Archdeaconries of Gibraltar and Italy & Malta

As part of our strategy to provide more effective oversight across our huge Diocese, the Bishop is seeking to appoint an Archdeacon for the Archdeaconry of Gibraltar and the Archdeaconry of Italy and Malta.

The role is to support and nurture Anglican clergy and churches in Spain (including the Balearic and Canary Islands), Gibraltar, Andorra, Portugal (including Madeira) and Morocco, together with Italy and Malta.

The work involves growing churches in start-up situations as well as established settings, recruiting and caring for our clergy, leading synods and liaising with other Christian churches.

The post requires someone with a high degree of self-motivation and experience who will also work well as part of the Bishop's Senior Staff and contribute to diocesan mission thinking. The post requires excellent communication and organisational skills, resilience and the ability to thrive in a role that involves a good deal of travel.

It is intended that the role will be based in Barcelona, but we are open to other well-founded suggestions.

The package is based on that of a UK-based Archdeacon and will include suitable housing.
