THE CHURCH  
OF ENGLAND

## *THE FRIENDS OF THE DIOCESE IN EUROPE - Winter 2021*

When I looked up from writing this letter, I could see a vase of yellow narcissi, which is a timely reminder that amidst all the gloom and doom of the winter months, Spring will arrive whatever happens in the meantime. A small moment of joy.

The virtual Friends' Annual Service took place in October and the congregation was a mix of those who in ordinary times would have come to the service in a church and those who would not have been able to do so. When the Friends' Committee discusses the 2022 service it might well be a case of not one or the other but both as many churches are already doing each Sunday. We shall see.

Thank you to those of you who have now opted to receive communications electronically. It will make a difference to the finances. For those of you who still receive mailings by post, you can still make the change to electronic at any time. Just let me know.

It remains for me on behalf the Friends' Committee to wish you all a happy and healthy 2022.

With kind regards,

*Jeanne*
