

There are people in the chaplaincy who would like to be confirmed...

Chaplain contacts the Archdeacon to ask Archdeacon for a suitable date as early as possible

Archdeacon contacts the Bishop's Office and finds a date in consultation with them. Archdeacon communicates this date to the Chaplain.

Bishop's Office contacts the Chaplain to organise the visit and plan the liturgy, sending guidance notes. Please read the notes carefully and send the information at the latest 3 weeks before.

Bishop's Chaplain organizes Zoom call to talk through the service and address any outstanding questions +/- 2 weeks before the visit.
